AL-FARABI
AL-KINDI

Farabi's commentary
let Avicenna understand Aristotle
Farabi updated Aristotle's examples/language
to the day

wanted to fuse together the
best parts of the philosophy of
Aristotle & Plato

Philosophy + Prophecy
we reason to know as much as we possibly can
then add on the divine knowledge to fill in the gaps

* The truth is the most important thing, nothing else

some things we
just can't know
thru reason, we
need prophets to tell
us the truth when
reason is not enough!
