

"God is dead. God remains dead.
And we killed him! → continues
↓
Enlightenment??
Too much rationalism??
not important! ✖

Love ~ Greed
comes from
same instinct!

(Heraclitus
+ Laozi
+ Yin/Yang)

Camel → Lion → Child

Will to Power

Life Affirmation

Übermensch

Ape to man
= Man to overman

Apollonian (mind order) & Dionysian (passion chaos) Master/Slave Morality

NIETZSCHE
(1844-1900)

Existentialism

Existenz → Essenz

God is Dead (Good & Evil) → Pity & Nihilism (not good!) → Life affirmation & Eternal recurrence
↳ creates void, needs replacement!
"Pity makes suffering contagious!"

becoming what one is!

One should craft her identity thru self-realization; and do this without transcending life to anything else (hell or soul)
